

GOVERNMENT OF KERALA

No.71/2014/Fin.

Finance (Inspection NT-A) Department
Thiruvananthapuram
Dated : 24.07.2014

CIRCULAR

Sub:- Finance (Inspection Non Technical) Department – Remarks offered by the wings in Finance Department on Inspection Report of Finance Inspection Wing and Assignment of works to the District Finance Inspecting Officers by wings – Instructions – Reg.

Several instances have come to notice that various wings in the Finance Department express their views on the findings in the Inspection Report of Finance Inspection Wing and convey the same to the Administrative Departments and District Finance Inspection Squad without consulting Finance Inspection Wing. Moreover, the wings are entrusting various works/assignment to the District Finance Inspecting Officers without consulting Finance Inspection Wing. In the above circumstances, the following directions are issued to streamline the procedure:-

- i) Various Wings in Finance Department should dispense with the practice of offering remarks directly on Inspection Report of Finance Inspection Wing and they are directed to convey remarks only after consulting Finance Inspection Wing.
- ii) Since all the District Finance Inspecting Officers are working under the direction and control of Finance Inspection Wing, special works/assignment should be entrusted to them by other wings in Finance Department only through the Finance Inspection Wing which will examine the case in detail and give directions to the District Finance Inspecting Officers to take necessary action and furnish report.

RAJESH KUMAR SINHA
Secretary (Finance-Expenditure)
